

Ryder Commercial Rental

Required Resources for Strategic Transportation

DON'T LET RUSH ORDERS OR FLEET BREAKDOWNS SLOW DOWN YOUR BUSINESS. RYDER COMMERCIAL RENTAL IS THE EASY, ECONOMICAL SOLUTION.

On time deliveries are crucial to your customers' satisfaction. But things happen. Like rush orders, extra deliveries and vehicle breakdowns. Ryder Commercial Rental lets you handle the unexpected, quickly and economically.

Ryder has all the vehicles you need.

Sometimes you need extra capacity. Sometimes you don't. Ryder rentals can handle the ups and downs of business by providing just the vehicles you need to handle special situations, like extra-large shipments and rush delivery deadlines – turning them into opportunities for profit. And we make sure that unwelcome emergencies, like vehicle breakdowns, won't cost you profits – or customers.

More than 30,000 quality trucks, tractors, and trailers.

All Ryder rental vehicles are clean, mechanically sound and treated to the industry's best preventive maintenance program -- our own. Plus, our local rental experts can help you select the vehicles that exactly meet your needs.

With Rental locations nationwide, there's one near you.

Ryder rental vehicles come with quick, easy, convenient service, and fast, responsive roadside assistance across the U.S. and Canada.

Our written promise that the Ryder rental vehicle you get will be clean and mechanically sound with check in or check out, each in 20 minutes or less. If we don't get it right, Ryder will waive the first day's fixed charge on your next comparable rental.

One call to **1-800-BY-RYDER**
(1-800-297-9337) gets you the
 right truck, when and where
 you need it, fast, clean, and
 trouble-free. We guarantee it.

Commercial Rental improves customer satisfaction and profits:

Improve operating efficiency — adjust the size and makeup of your fleet to match seasonal volume.

Conserve capital — downsize your permanent fleet to the level required by your slowest demand periods.

Cover fleet downtime economically — maintain business as usual, in spite of breakdowns and routine maintenance.

Increase on-time deliveries — get the right truck and keep customers satisfied.

Respond to market fluctuations — be flexible and ready to profit from demand spikes, market shifts, and special orders.

Test new routes and markets — take advantage of a no-capital, no-commitment way to experiment before you buy or lease additional vehicles.

Stay prepared — get a Ryder Commercial Rental Account for your business today.
